

We will be providing the Real Estate Photography for the sale of your home. It is our job, and goal, to present your home in the best possible light. Before your photographer arrives, we would ask you to consider a few suggestions to help us achieve this goal.

Kitchen

- Remove any dishes, soaps , food products, etc. from your countertops.
- Keep countertop appliances to a minimum.
- Clear off the top of your refrigerator.
- Remove magnets, art work, etc. that are on the refrigerator .
- Remove any pans that are on your range or cooktop.

Bathrooms

- Remove personal items on the vanity; toothbrushes, mouthwash, hand soap, etc.
- Remove any plug-in air fresheners near the vanity.
- Decorative towels are okay but daily-use towels should be removed.
- We may want to take two pictures of your bathtub. One with the shower curtain closed and one with it open. Shampoo bottles, soaps, etc. should be removed.
- Remove any hanging robes.

Bedrooms

- Make beds
- Remove clutter on the nightstands and dressers.
- Pick up toys.

General

- Clear dining room table and straighten all chairs.
- Pick up loose clothing or other items on the floors and furniture.
- Remove kid's toys.
- Remove entry way shoes.

Exterior

- Remove cars from the driveway.
- Put garbage cans in garage.
- Close garage doors.
- Pick up loose toys, sports equipment, etc..
- Neaten up patio areas.
- Mow the grass, trim bushes, general landscaping clean-up.

Pets

- Move food and water bowls out of view.
- Move pet beds, toys and litter boxes out of view.

Thank you,

Your ProActive 3D Technologies Team
